OFFICIAL VISITATIONS

Sir Knight Don G. Chaffin, II, Right Eminent Grand Commander of the Grand Commandery of Alaska made his official visitations to the Constituent Commanderies of Alaska during September. He received a warm welcome at Palmer, Fairbanks and Anchorage. The Grand Commander stated that Templary is alive, well and growing, but that constant improvement must be the watch word of Alaska. Many "growing pains" of our new Grand Commandery have yet to be worked out. The organization is only 4 years old, and many issues must be addressed and tasks accomplished before we can rest and enjoy the fruits of our labors. You are to be congratulated on your work, but challenged to advance!

Pictured above are members of Anchorage Commandery #2, Knights Templar at the Grand Commander's official visitation on September 21, 2007.

The Grand Encampment has a new web site www.knightstemplar.org The next time you are online, check out the site and let us know you have visited us by signing our guest book.
