OFFICIAL VISITATION

Sir Knight Leonard C. Bibler, Right Eminent Grand Commander of the Grand Commandery of Alaska made his official visitation to the Constituent Commandery: Anchorage #2 of Alaska during the May Stated Conclave. He received a warm welcome and all present enjoyed a delicious dinner before the Conclave prepared by the members of the Order of Eastern Star.

The Grand Commander stated that Templary is alive, well and growing, but that constant improvement must be the watch word of Alaska. Many small details are being improved upon as our Grand Commandery matures. The organization is 5 years old, and many issues have yet to be addressed. Ritual and floor work must be constantly practiced to maintain proficiency and each Commandery will need to insure their work complies with directives and form approved by the Grand Encampment. Activities are an important part of the health of any organization and we as Alaskan Templars need to expand ours to keep interest of the members flowing.

Sir Knight Bibler encourages all Sir Knights to contact him with questions and suggestions. New ideas are always welcomed and are what keep us moving forward. Think about what would be a good program for your Conclaves. Thanks to each of you for all of the good work you do.

The Grand Encampment has a new web site www.knightstemplar.org The next time you are online, check out the site and let us know you have visited us by signing our guest book.
